

**2017 Petit Verdot
Estate Middleburg AVA**

WINEMAKING NOTES

Our Petit Verdot is made from 100% estate grapes from Casanel Vineyards. After hand-harvesting and sorting in our vineyard, the grapes were gently transported via small lugs to the winery where they were destemmed, sorted again on a vibrating sorting table before being sent into stainless steel tank by gravity. Forgoing cold maceration, the alcoholic fermentation was started and occurred around 75 degrees F. Pump-overs were done every day during the fermentation and, also during the short warm post-maceration, that lasted about 2 weeks. This wine was then pressed and sent to barrels where the malolactic fermentation occurred rapidly. After racking from malolactic fermentation, the wine returned to barrels to be aged for 26 months entirely in French oak Bordeaux barrels (50% new and 50% in neutral French oak). No fining of the wine occurred. After the appropriate aging time elapsed, the wine was simply racked, filtered, and hand-bottled on the Estate.
